

MAINE AFFORDABLE HOUSING COALITION

2009-10 MEMBERSHIP INFORMATION

About MAHC:

MAHC is a diverse coalition of developers, Community Action agencies, public housing authorities, investors, housing and service providers, advocates and others working to increase and improve the supply of quality, affordable housing throughout Maine.

MAHC has commissioned numerous reports and has convened several public forums on the affordable housing crisis. We also serve as Maine's lead agency to the New England Housing Network and as the National Low-Income Housing Coalition's state coalition partner in Maine.

MAHC is a dues-paying membership organization that meets on the first Tuesday of each month at varying locations around the state.

This year, we will be leading advocacy efforts to ensure the successful implementation of MAHC's recently enacted \$30 million green affordable housing bond initiative. We will also be working to win increased funding for and responsible reforms to key housing policies programs at the state and federal level, conducting important research, and improving information-sharing among housing organizations through MAHC's coalition building activities.

Why You Should Join MAHC:

- Strong advocacy on state and federal housing policy issues
- Timely information on current affordable housing topics
- The opportunity to have a real impact on key state and federal public policies
- Networking and information-sharing opportunities for your organization
